LED Lamps

DYNASTY® 1156 LED LAMP

1.5 WATT, 12 VOLT, MINIATURE LED LAMP

The Dynasty® LED series has achieved what many thought was not possible; LED lighting that performs as good or better than the traditional lamp it is replacing. Our unique lighting products are redefining the current LED landscape, which is filled with one directional, highly concentrated points of light. The secret is the light source itself; an LED that emits a 360° horizontal beam pattern, and is completely removable (we call it the Dynasty®). There is no other LED on the market that compares to traditional light sources as well as the Dynasty® LED, making it even easier to choose energy efficient, earth friendly products for your lighting needs. For more Dynasty® based lighting products, just look for the butterfly!

Applications

- Landscape/Pathway Lighting
- Recreational Vehicle Lighting
- Architecture Lighting
- Marine/Boat Lighting

Features

- Water Resistant
- Vibration Resistant
- High Lumen Output
- Unique Butterfly-Beam™ (360° Horizontal, 275° Vertical)
- Available in Multiple Colors
- Interchangeable Dynasty® Light Source
- Operates on 12V AC/DC Systems
- Superior Performance in Outdoor Environments
- No Glass or Fragile Parts

Benefits

- Energy Efficient
- Long Life
- Environmentally Friendly
- Non-Hazardous Waste
- RoHS Compliant

The new Dynasty® 1156 LED Lamp is designed for landscape lighting, recreational vehicles, and marine applications. This compact lamp operates on a 12V AC/DC system, and can be installed into any standard 1156 socket. It is designed with CAO Group's patented Dynasty® high flux LED, which is completely removable, energy efficient, water resistant, and features a multi-directional beam pattern making it ideal for general lighting applications. The lamp has no filament or glass parts making it vibration resistant. It also contains no hazardous materials, and is RoHS compliant. Available in multiple color temperatures and wavelengths. The interchangeable Dynasty® LED makes it easy to change colors without buying a new lamp.
