

LED Surface Mount Light

The low energy LED surface mount fixture, mounts directly to surface with no back box required. The fixture can be mounted facing down for excellent walkway illumination or facing up for wall washing. High performance LED technology delivers reliable low maintenance service. The Surface Mount Light rugged glass free single piece construction make it ideal for vandal prone areas. Excellent heat removal ensures high performance and reliability of its LED light source. Other features include anti-wicking power lead, and service upgrade capability.

Specifications:

Light Source: High-brightness LED (light emitting diode)

Rated Life: 50,000 hours, 70% of original light output

Input Voltage: 7 to 15 Volts

Power Consumption: 3.7 Watts

Color Temperature: 3000K Typical

CRI: 80 Typical

Lens: Clear Acrylic, Impact and UV resistant

Housing: 6061-T6 Aluminum, Brass and Copper

Operating Temperature: -31F to 122F (-35C to 50C)

Product Order Code: LLT-8-PA1-3.7-WW, LLT-8-PA2-3.7-WW
