

LED Light Tech™

90 Watt Wallpack with Photocell

WPA series LED commercial wall pack fixtures provide a quick and easy solution for warehouse and industrial applications. Available in 36W, 60W, and 90W variants, designed to replace traditional 70W, 250W, 400W equivalent HID wall pack fixtures. The standard design looks and feels just like traditional HID wall packs, but without any of the high wattage heat and maintenance.

Constructed out of heavy duty cast iron with robust gaskets and seals to prevent moisture and insect ingress. Each fixture is rated for a minimum L70 of 50,000 hours with a dependable design that will operate hassle-free for many years.
